Hi All,

Unfortunately, I won't be able to make the call as I had hoped. I had to schedule another call at the same time on a Superfund Site with an ever tightening negotiation schedule. Sorry about that. I will try to catch up on the CITGO discussion later on.

Should we try to talk tomorrow or Thursday? (Thursday would be better for me, but I'm not sure of our timing – when is our next brief due?) What time works?
